Comments/Additional Information:

I wish to change commissions, as I find the Crime Prevention Commission is very low key and I am more a people person. As an AARP instructor I have discovered I am interacting more with Seniors. Lafayette has a Wonderful, outstanding senior program & I feel the Senior Services Commission would be a "good fit" for me to perhaps contribute to. Mei Sun & I put together a panel on Three I.D. & now Aletha & I are putting a community Safety day together.

TESTAMENTS OF SUCCESS

"Thanks for all of your help in making the sale of our property possible and the new home attainable for us. David and I know that the only way we got both properties was because of you. We are both very grateful. Thank you." – *Elizabeth Walker*

"We both want to thank you – you did a tremendous, very professional job and continuously went the extra mile for us. I have a whole new appreciation for the value of a high quality real estate professional." – *John and Melissa*

"Linda Van Drent completely met all my expectations and needs to sell my house. Her knowledge of all steps in the process, including establishing an attractive list price, resulted in multiple initial offers and an even higher accepted final offer that was substantially over the list price. My home sold within days with a smooth closing. She was able to offer excellent suggestions on preparing my home for sale that revealed her current knowledge of the market. As an established Realtor®, she has a large list of trusted contacts and this facilitated the process for me as I had little time to devote to the entire process. Linda was thoroughly professional, punctual and reliable but also supportive and understanding through a time of stress. I always felt confident that she was working to obtain the best possible outcome. I completely recommend her."
– *Ramona Wilson*

"Linda Van Drent spent four years as our agent patiently readying us for the day when our Marin home would sell. During that time, she showed us in excess of 60 properties, getting to know our tastes and grooming us for the BIG moment. When the happy day came that our old house sold, Linda was there with the perfect set of homes to show us. We placed a 'ridiculous' offer on one of them, totally not expecting an acceptance. Linda saw all details to completion without a glitch and we now live in a lovely home, which exceeds any of our wildest dreams." – *Wayne and Susan Hahn*

"Both Eleanor and I would like to extend our wholehearted thanks for the extraordinary job that you have done in working through the myriad of problems that cropped up during the purchase. Rarely have I had the pleasure of working with anyone who demonstrated your degree of professionalism nor did so with such a sense of charm."
– *Charles and Eleanor Truitt*

TESTAMENTS OF SUCCESS

"We owned a very unusual property in Orinda, extremely aesthetic and unique. Our home had been on the market prior to a major remodel and for this listing we were extremely selective in our choice of our Realtor and office. We were confident the timing to list was right and we were desirous of the best representation available.

We had a prolonged listing with many prospects and one extremely low offer. Knowing we faced this challenge of selling our property, Linda kept us apprised of the many complex factors operating in the market. We had many discussions about the marketing, timing of open houses, outreach and pricing. On all occasions there was dialogue; it was constructive and well considered, and the decisions reached were sound and well reasoned.

Over the tenure of the listing we were extremely fortunate to work with Linda Van Drent. She maintained the highest standards on all levels. Communications, assessment, follow through and support was excellent. Her attention to details and her accessibility were consistent and unwavering. We were able to develop a close relationship of trust and respect, which characterized our entire experience. She is a consummate professional.

We want to express our appreciation to your office and especially to Linda for her exceptional professional service. We will happily recommend her services to friends, family and colleagues as needed." – *Bob and Diane Wyatt*

"After moving across the country ten times and buying and selling homes each time, you are the best agent I have ever worked with for my real estate needs." – *Sheila Griffie*

EXPERIENCE YOU CAN TRUST

Linda Van Drent is a Realtor with the Coldwell Banker Residential Brokerage Orinda office located across from the historic Orinda Theater. Linda and her dedicated staff passionately serve the real estate needs of their clients in the Lamorinda area and San Francisco Bay Area region. They have been helping people translate dreams and capture opportunities since 1990.

While Linda has received many awards throughout her career, her biggest tribute is the growing number of clients and fellow colleagues who refer their friends, family and valued business contacts each year.

A native of the San Francisco Bay Area, Linda was trained in interior architecture and practiced commercial design and project management after college. It was in San Francisco where she honed her business and design skills. Linda designed, wrote, negotiated and managed multi-million dollar contracts. Her clients included two world class hotel chains, one of the country's largest financial institutions and a variety of other distinguished firms.

After leaving the design world, Linda returned to management of another kind. This time, she took over the management of the flagship branch of a nationally recognized furniture dealership. Here, she expanded her skills and assumed the responsibility for sales and marketing.

So how does this translate for her clients today?

The same sound business practices, attention to detail and communication skills required by Fortune 500 clients are all critical aspects in handling real estate transactions.

After family and health, real estate holdings are often her clients' biggest asset. Considerations, such as risk management, detailed documentation, contract review, effective negotiation skills, candid market and property assessment are essential but all too often underdeveloped skills. This is why people choose Linda to be their trusted partner and advocate in their real estate decisions.
